

SOCIETY NEWS

MEETINGS:

4(Four) meetings of the Governing Council were held to transact the business of the Society.

PERSONAL:

Dr. S. Jayarama Reddy of Sri Venkateswara University has been promoted as the Professor of Chemistry.

Dr. D.K. Padma, Joint Secretary of the Electrochemical Society of India has been promoted as Associate Professor in the Department of Inorganic and Physical Chemistry, Indian Institute of Science, Bangalore-560012.

NEW MEMBERS:

FELLOWS:

1. Dr. Anil Kumar Agarwal (Lucknow);

2. Shri. Ramakrishna (Bangalore);

3. Dr. Rajaratnam Chandrashekar (Gorakhpur) U.P.

MEMBERS:

1. Shri. V.S. Raja (Bangalore);

2. Shri. Anil Kumar Agarwal (Bangalore);

GENERAL:

The Society acknowledges with thanks the receipt of a copy of the first issue of "Bulletin of Electrochemistry" a bimonthly publication from the Central Electrochemical Research Institute, Karaikdui. This Journal amalgamates four publication of the Institute Battery Bulletin, Corrosion Bulletin, Electrochemicals Bulletin and Electrometallurgy Bulletin, and it is devoted to all aspects of Electrochemical Science and Technology. The first issue covers articles on almost all aspects of electrochemistry and also gives a birds eye view of the activities of the institute. The printing and get up of the issue are good.

FORTH COMING CONFERENCES:

Central Electrochemical Research Institute Karaikudi is organizing a symposium on Industrial Metal Finishing during 19th to 20th July at Karaikdui.

The Electrochemical Society of India is holding the Annual Technical Meeting during 22nd to 23rd July 1985.
