NEW MEMBERS :

FELLOWS :

Dr. S.N. Joshi (Bangalore); Dr. G. Ananda Rao (Bangalore);

Dr. R.J. Patalia (Baroda); Dr. Madan Mohan Pandey (Pratapgarh);

Dr. K. Balakrishnan (Karaikudi);
Dr. S.R. Satyanarayana (Bangalore);

Mr. Madhu M. Rao (Bangalore).

MEMBERS :

Mr. Anirudha Mitra (Puralia);
Mr. M. Ravindranath (Bangalore);

Dr. Vinodkumar Sharme (New Delhi);
Mr. M.V. Bharadwaj (Bangalore);

Mr. S. Muralidharan (Madras);
Mr. K. Padmanabhan (Thanjavur);

Mr. Protul Kumar Mukhopadhyay (Bangalore);
Mr. G. Shivakumar Naidu (Bangalore);
Mr. R. Namadevan (Coimbetore).

ASSOCIATE MEMBERS :

1. Mr. Y.A. Satya Prakasha Rao (Bangalore);

2. Mr. V. Rajadorai (Bangalore).

GENERAL :

The Battery Society of India has complied a 88 page technical notes on battery lead alloys and grid technology to serve as a ready reference material. This deals with topics like lead-antimony alloys for battery grids, low antimonial-lead and calcium-lead alloys, lead alloys for small parts casting, melting practice and control of lead-base alloy, sampling, quality control and testing of grid material, cast grids and wrought grids. The copies may be ordered from the Battery Society of India C/o Indian Lead Zinc Information centre, B-617 Shopping Centre, Safderjung Enclave, NEW DELHI - 110 029.

The Society for advancement of Electrochemical Science and Technology, Bombay Chapter is organizing a three day symposium on Fundamental and applied Electrochemistry at Bombay during 4-6 December 1985. Those who are interested in participating may kindly contact Prof. K.S.V. Santhanam Convener, Chemical Physics Group, TIFR, Colaba, BOMBAY - 400 005.

A lecture by Mr. TZVETAN MARINOV DOBREV on "NICKEL PLATING" was arranged by the Society on Monday 8th July 1985.

The photos taken during the Industrial Training Programme and ATM 1985 and ready. Those interested to get copies may contact the office of the E C S I. Bangalore - 560 012.
