B-41, Institutional Area, New Mehrauli Road,
NEW DELHI - 110 016. Phone:6867710, 6857158.
Fax:6867607, 6857158, Cable: INSOTRAD.

5. Intensive course on Coating Technology - COATTECH '94 is being organised by The Indian Institute of Metals, The Institution of Engineers (India) and sponsored by Metal Finishers' Association of India, Bombay to be conducted on 7-9 Dec. 1994 at The Institution of Engineers Auditorium, Haji Ali Park, K.Khadye Marg, Mahalaxmi, Bombay 400 034. For details contact:
Dr. M.K.Totlani,
Convener, COATTECH'94
and Head, Electrochemical Science and Technology Section,
Metallurgy Division, BARC, BOMBAY 400 085

Report on Society Activities

1. One day Training Program on **quality aspects of Printed Circuit Boards(PCB)** was conducted jointly by The Electrochemical Society of India and Indian Telephone Industries Ltd., on 30th Nov. 1993 at Hotel Rama. Topics covered are single and double sided PCB's, process quality assurance, product quality and reliability of PCB's, inspection and testing, acceptance and rejection standards, recent development in PCB's, case studies and group discussion. More than 75 persons took advantage of this programme.

2. One day workshop on **Precious Metal Plating** was organised by The E ectrochemical Society of India and Electroplaters Division, Degussa AG Germany, on November 26, 1993 at Lecture Theatre, Department of Metallurgy, Indian Institute of Science. Experts from within the country and also from Germany delivered lectures in the workshop. More than 80 persons participated and took advantage of this workshop.

3. **First Electroplaters meet** was held on Dec. 11, 1993. About 35 participants attended the meet. There were discussions on Problems of Common interest. Sales Tax and casting problem were discussed.
