Activities of the Society

ECSI organised the second Electroplaters meet on Saturday 22nd Jan. 1994 betwen 3.30 p.m. to 6.30 p.m. at Hotel Rama, Lavelle Road, Bangalore -1. About 40 participants from Industry attended the meeting . Agenda for discussion was

(i) Remittance of Sales Tax on Electroplating and Anodizing and

(ii) Addition Agents used in Electroplating

Sri G.V. Mahesh, the Secretary, ECSI explained the aims and objectives of such meets. Dr. Rudresh spoke about the additives used in Electroplating baths. Discussion on Sales Tax for the industry was initiated by Dr. Rudresh (A write up on this subject is included in Jan. 1994 issue). Dr. Dambal spoke at length on additives and about the CETP project proposed by ECSI. A video cassette on Electroforming was shown to the participants.
