

ANB – INDIA NEWS

From April to June, 2023

INTRODUCTION

The 76th Annual Assembly Meeting of The International Institute of Welding will be held in mid July 2023 and will be represented by Dr. Shaju K Albert of ANB and Mr. Alope K Bose of ANBCC. The representatives will jointly coordinate and actively participate to ensure that IAB rules and guidelines are prepared in line with its objective but does not neglect the economic realities faced by many countries after the worldwide Covid pandemic. A note from India in this respect was accepted in the last January IAB meeting for consideration by Working Group #1 to treat the special online audit as a proper Renewal Audit.

As reported earlier upon the implementation of the revised IAB Rule 001-r11 2020, the ANB QSM, OPs and all related documents are in the process of critical scrutiny in order to align them with the changes as required under the new rule.

ANB ACTIVITIES

During this quarter the following activities took place:

IWCP: (IWE/ IWT): STANDARD ROUTE

On completion of the contact classes and Lab attendance of 35 candidates of 13th Standard Route Batch of IWE/IWT, ATB Cornerstone Academy (P) Ltd., Chennai have applied to ANB for final Examination which is scheduled from 17th July 2023 with fresh as well as re-appearing candidates totaling to about 40+ candidates.

For latest details please contact

Mr. Joshua Sajja

Mob: +91 98408 55583.

E Mail: cornerstonewelding@gmail.com

IWCP: (IWE/IWT): ALTERNATIVE ROUTE

15th Alternative Route Exam was conducted during February – March 2023 with a total of 27 candidates (6 fresh ALT RT+ 6 STD RT re-appearing candidates of Cornerstone Academy +15 ALT RT re-appearing candidates). Result has been published and Diplomas have been awarded to 9 (Nine) ALT RT Candidates (ANNEXURE-I) and 3 (Three) STD RT Candidates of Cornerstone Academy (P) Ltd., Chennai (ANNEXURE-II) at their respective levels. 16th Alternative Route Exam combined with 13th Standard Route Exam is also scheduled from 17th July 2023.

IWCP: (IWE, IWT, IWS&IWP): TRANSITION ARRANGEMENT

It is proposed to conduct a final Transition arrangement refresher course RC 97 tentatively by end of 2023 (November/December) and notice has already been circulated among the intending aspirants. Applications received are under scrutiny.

INTERNATIONAL WELDER (IW): STANDARD ROUTE

As per the published result of 28th IW Exam of Don Bosco, Kochi. ISO 9606-1 Welders' Certificates have already been issued. International Welder Diploma Certificates are yet to be issued as DBTECH are reviewing the cost structure of the training.

ATTENTION MEMBERS & NEW APPLICANTS

The membership can be now obtained online through iiwindia.com

You are requested to use the following bank account details for deposit of remittances / fees for Membership & AMIIW Examination Services.

Bank Account Name	:	THE INDIAN INSTITUTE OF WELDING
Bank Name	:	STATE BANK OF INDIA
Type of Bank A/c.	:	Current Account
Bank Branch Name	:	Kalikapur, Kolkata
Bank Account Number	:	35603219305
IFS Code	:	SBIN0003907

All are requested to forward us the scan copy / screen shot of the transaction details to enable us to keep track of our records accordingly.

Report on Skill Development Activities

Assessment under NWTCS

During the period 1st April 2023 to 30th June 2023 total 2 batches comprising of 52 candidates were assessed at JKR Skill Development Centre, Thanjavur, Tamilnadu on 20th May and 21st May 2023 and 15 candidates of OFGC-Foundation and 36 candidates of Expert Welder

scheme successfully completed their and they will be awarded NWTCS certificates.

Assessment for Sector Skill Councils

During the period 1st April 2023 to 30th June 2023 no batches have been assessed.

**Appointment of new Assessor for assessment of
IIW-India's Skill Development activity**
Applications are invited from suitable candidates on Pan India basis for
carrying out assessments under IIW-India's Skill Development Programmes

ELIGIBILITY CRITERIA

● **Education Qualification:**

Essential: B.E. / B.Tech / Diploma / ITI

Minimum experience in welding field:

- a) 5-years for B.E. / B.Tech qualified
- b) 10-years for Diploma qualified
- c) 15-years for ITI and others

● **Professional Experience:**

★ Should have wide theoretical and practical knowledge of different welding processes and basic aspect of welding technology

★ Should be familiar with practical operation of the following welding processes viz.

Basic gas welding, Arc welding, TIG welding, MIG MAG/CO2 welding, Pipe welding (TIG+ARC), Gas cutting and Plasma Cutting.

- **Physical attitudes:** Should be physically fit to carry out welders testing activities in a shop for prolonged period of 8 to 10 hours. No optical disabilities like colour blindness or night blindness.

Applications on plain paper may be sent to :

**The Indian Institute of Welding
Department of Skill Development**

OPPORTUNITY FOR BECOMING A CERTIFIED WELDING PROFESSIONAL!!

Dear Professionals,

It is my privilege to inform you all that, in accordance with the resolution taken during the 328th Council Meeting dated 30th July 2022, newly formed **IIW-India Certification (IIWIC) Division** has started its activities for the benefit of Indian fabrication industries. Apart from different certification courses conducted in different IIW-India Branches as per industry requirements, following certifications are offered by the Division:

Sl. No.	Title of the scheme	Category	Remarks
1	Certified Welder (CW)	NWTCS	Various specialisation offered as described in the scheme documents
2	Certified Welding Trainer (CWT)	TOT	Training of Welding Instructors in line with Industry requirements
3	Certified Welding Inspector (CWI)	NWICS	Basic, Standard & Advanced levels; also conforms to IS 18224:2023
4	Welder Certification	WC	Certification of Welders as per IS, ISO, ASME, AWS, etc.

We also support industries through customised Awareness Programmes, Skill Gap Analysis in the field of welding, and qualification of welding procedures.

You are requested to contact certifications@iiwindia.com with a copy to iiw@iiwindia.com for further details.

With best regards,

Rituraj Bose
Hony. Secretary General

Date: January 2, 2023

GOLDEN OPPORTUNITY FOR INDIAN WELDING PROFESSIONALS!!

Dear Professionals,

It is my proud privilege to inform you all that The Indian Institute of Welding (IIW-India) has partnered with American Welding Society (AWS) to offer their online courses in subsidised and very lucrative rate for Indian Welding Professionals. Do not miss this golden opportunity!

I am sure that the same will be very much helpful for the interested professionals. At present, we are offering seven AWS courses, for which the fees are stated hereunder:

Sl. No.	Online Courses	Hour	AWS Member Pricing in USD	Non-Member Pricing in USD	Price offered by IIW-India in INR (including GST)
1	WELDING FUNDAMENTALS I (Basic Concepts +Common Welding and Cutting Processes)	14	383	511	12500
2	SAFETY IN WELDING	3	83	111	7500
3	THE SCIENCE OF NONDESTRUCTIVE TESTING	6	194	259	10500
4	ECONOMICS OF WELDING	18	489	652	12500
5	WPS/PQR EXPLAINED	4	131	175	8500
6	LEAN MANAGEMENT FOR WELDING PRODUCTIVITY	4	280	373	12500
7	CAREER READINESS	8	131	175	5500

- Please write to certification@iiwindia.com for enrolment and availing the opportunity.
- Visit <https://www.awslearning.org/iiw-india> for further details about the courses offered.

Best Regards,

For The Indian Institute of Welding

Register Online for Membership

Dear Professionals,

Avail the golden opportunity to be a part of the largest welding fraternity in India. It is now easier to be a member of The Indian Institute of Welding (IIW-India) Online, apart from the existing offline procedure. Professionals are requested to **click the link** <https://iiwindia.com/member/> or visit <https://iiwindia.com> to become a member and to be a part of the family. The criteria as per the membership category are as follows:

MEMBER	Members being individual, having Engineering Degree / Diploma or its equivalent, or having passed AM-IIW Examination, or Post Graduate Degree / Diploma in Applied Science / Technology, or an Associate Member of the Institute having experiences in the field of welding or its allied subjects with such qualification as the Council may approve; and also having experiences in the field of welding or its allied subjects for a period of minimum 5 years or as decided by the Council.
ASSOCIATE MEMBER	Associate Members being individual, i) having Engineering Degree / Diploma or its equivalent, or having passed AM-IIW Examination, or Post Graduate Degree / Diploma in Applied Science / Technology, or possessing educational qualification approved by the Council and interested in welding science and technology; Or, ii) having interest in the field of welding and allied processes or craftsmen skilled in the art of welding.
STUDENT MEMBER	Students being individual, not having reached the age of 25 years, studying Engineering Degree / Diploma / Post Graduation course in an Educational Institution and approved by the Council.

Entrance fee and Membership Subscription to be paid as follows:

Class	Entrance Fee (Rs.)	ANNUAL MEMBERSHIP		LIFE MEMBERSHIP	
		Annual Subscription (Rs.)	Total Amount Payable (Rs.)	Life Membership Subscription (Rs.)	Total Amount Payable (Rs.)
By every Member	1,250.00	1,250.00	2,500.00*	15,000.00	16,250.00*
By every Associate Member	750.00	750.00	1,500.00*	9,000.00	9,750.00*
By every Student	Nil	500.00	500.00*	---	1,000.00*/1,500.00# (*for 3-years at a time) (#for 4-years at a time)

* GST @18% to be paid extra along with the payable amount. (GSTIN of IIW-India: 19AAATT5926E1ZC)

Note:

1. Individuals can opt for Online or Offline process for application as a member of the Institute as per their choice. The link for Online Membership is mentioned above. For Offline Membership, please fill up the application form and forward through email or by post.
2. Remittance against membership application should be in the form of Cash / Demand Draft / Cheque, and will be in favour of "The Indian Institute of Welding" payable at Kolkata, OR can transfer as per the details given below:

Account Name: The Indian Institute of Welding

Class-I	This shall include companies or firms engaged in the methods and means for welding and its allied processes, fabricators, manufacturers of consumables and equipment etc. and the firm shall have invested capital in fixed assets exceeding Rupees Ten Crore.	6,000.00	6,000.00	12,000.00*	6,000.00	42,000.00	48,000.00*
Class-II	This shall include companies or firms as in Class-I but with invested Capital over Rupees One Crore but not exceeding Rupees Ten Crore; also trade associations or technical societies or government bodies interested in Welding or its allied science / processes.	5,000.00	5,000.00	10,000.00*	5,000.00	35,000.00	40,000.00*
Class-III	This shall include companies or firms having invested capital not exceeding Rupees One Crore; also, Educational Institutions and recognized Technical and Research Institutions.	4,000.00	4,000.00	8,000.00*	4,000.00	28,000.00	32,000.00*

* GST @ 18% to be paid extra along with the payable amount. (GSTIN of IIW-India: 19AAATT5926E1ZC)

- N.B.:
1. Remittance against membership application should be in the form of Cash, Demand Draft, or at par Cheque or Online Transfer as follows:
Account Name: The Indian Institute of Welding / Current Account No.: 35603219305 / Bank Name: State Bank of India, Kalikapur Branch / RTGS/NEFT/IFSC CODE: SBIN003907
 2. Please ensure that application form is completed in all respects.

INTRODUCTION AND AUTHOR GUIDELINE INDIAN WELDING JOURNAL (ISSN 0046-9092)

INTRODUCTION

Indian Welding Journal (IWJ) (ISSN 0046-9092) is the official journal of the Indian Institute of Welding (IIW-India) being published quarterly since 1968. **Volume 50 was published in 2017.** Articles published in it are indexed by **Indian Citation Index, EBSCO, USA, i-Scholar, and j-Gate.** This journal is recently included in the list of approved journals of the University Grant Commission (UGC). This journal includes selected technical articles published in Welding Journal of American Welding Society. Articles are invited in the broad areas of **welding and cutting** for publication in the IWJ as per the following categories;

- a) Original papers
- b) Conference papers (For journal special issues, etc.)
- c) Critical assessments / Reviews
- d) Case studies / Application areas

TITLE PAGE

The title page should include:

The name(s) of the author(s)

A concise and informative title

The affiliation(s) and address(es) of the authors

The e-mail address, telephone and fax numbers of the corresponding author

ABSTRACT

An abstract should be of 150 to 250 words and it should not contain any undefined abbreviations or unspecified references.

KEYWORDS

Four to six keywords should be included.

TEXT

Text Formatting

Manuscripts should be submitted in editable Word files as well as in PDF version.

Margins and Spacing

The top, bottom, left, and right margins should be kept one inch each. The text of the paper should be single-spaced and fully justified in 11-point Arial font in single column format. Leave one line space between paragraphs, but do not indent the first line of a new paragraph. Page numbers should be centered at the bottom. Insert a line space after the final paragraph in a section.

First level heading should be consequently numbered like 1., 2., etc., left justified, all caps and bold. Insert one line space before and after a first level heading.

Second level heading should be numbered consequently like 1.1., 1.2., 2.1., 2.2., etc., left justified, with running letter and bold, with one line space above it.

The heading of Abstract, Appendix and References are to be all caps, 11-point, bold, and centered, with two line spaces above, and one below.

Figures and Tables

Figures and tables should appear close to their first citation inside the text. Each table or figure should be centered. Each table and each figure should have centered titles that should be self explanatory. Table titles should go above the table and figure captions below the figure. Leave one line space between the title and the table or figure. Figures and tables are to be numbered consequently. Refer these inside the text as Table 1 or Fig. 1, etc. In addition, each figure should be given as separate file(s), naming the file as Fig. 1, Fig. 2, etc. Figures (including photographs, line drawing, etc.) must be clear and reproducible.

REFERENCES

Citation

The list of references should only include works that are cited in the text and that have been published or accepted for publication. Reference citations in the text should be identified by numbers in square brackets. Some examples:

The effect has been widely studied [1-5]. The same results were observed by Reddy et al. [6].

Example

- [1] Badheka VJ and Albert SK (2009); Improving the weld penetration by application of oxide coating in GTAW of P91 steel, Proc. Nat. Weld. Sem., Kolkata, India, p.18.
- [2] Sabiruddin K, Das S and Bhattacharya A (2009); Application of the analytic hierarchy process for optimization of process parameters in GMAW, IWJ, 42(1), pp.38-46.

APPENDIX AND ACKNOWLEDGMENT

Appendices, if needed absolutely, should be placed after references section. Uses of appendices are not encouraged, in general. Acknowledgment, appendices, etc., if any, may follow the References section.

PEER REVIEW PROCESS

Manuscripts of contributed articles submitted under each category will be double-blind peer reviewed. Author(s) will be communicated with the review results, and if needed, author(s) will be required to incorporate necessary changes in the manuscript for final acceptance.

PLAGIARISM CHECKING

All the contributed articles are plagiarism checked by Crossref system powered by iThenticate. A maximum of 10% similarity content will be allowed to a research paper for publishing in the IWJ.

COPYRIGHT

Authors will be asked to transfer copyright of the article to the Indian Institute of Welding (IIW-India). To this effect, the corresponding author on behalf of other authors, if any, has to sign and submit a Declaration Form available in IIW-India website.

EDITORIAL BOARD

Chief Editor	: Prof. Dr. Santanu Das
Joint Editor	: Dr. Murugaiyan Amrithalingam (Chairman, Technical Committee)
Members	: Prof. Dr. T. K. Pal, Mr. P. K. Das, Dr. G. Madhusudan Reddy, Prof. Dr. Amitava De, Dr. Shaju K. Albert, Prof. Dr. V. Balasubramanian, Mr. Rahul Sengupta, Prof. Dr. G. L. Datta, Dr. Mahadev Shome, Mr. T.V. Prabhu, Prof. Dr. V. Badheka & Mr. T. K. Mitra.

Representative of AWS

Mr. Andrew Cullison and Mr. Jeffery Web

INDIAN WELDING JOURNAL ARCHIVE

Archive of articles published in the Indian Welding Journal since Volume 1 1968 is done and published articles may be found in i-Scholar and j-Gate platform. Readers may please surf the website: <http://www.i-scholar.in/index.php/IWJ>.

ASSIGNING DOI

DOI (digital object identifier) is being assigned to research articles recently published, or to the forthcoming articles of the IWJ. 10.22486/iwj/2017/v50/i2/146561 is a typical DOI for a published article.

**DECLARATION OF THE AUTHOR(S) FOR PUBLICATION OF PAPERS
IN THE INDIAN WELDING JOURNAL (ISSN 0046-9092)**

This Declaration Form needs be signed by the corresponding author on behalf of other authors, if any. Publication of paper in The Indian Welding Journal (IWJ) will not be taken up without the duly filled-in Declaration Form.

TITLE OF PAPER: _____

Name of author (s): _____

I, the corresponding author, on behalf of the other author(s) declare that the submission has not been previously published, nor it is being sent to elsewhere for consideration for publication. I further undertake that the paper manuscript submitted is not copied or plagiarized from any other published work(s).

I hereby transfer the right for publishing the paper in 'Indian Welding Journal' to the Indian Institute of Welding, publisher of the journal in print, electronic and any other form of publication for wide circulation of the articles. The Editor of the Journal and the Indian Institute of Welding are empowered to make editorial changes to the paper suitable for its publication.

I understand that submission of false or incorrect information/ undertaking would invite appropriate penal actions as per existing norms/ rules.

NAME OF THE CORRESPONDING AUTHOR : _____
(IN BLOCK LETTERS)

POSTAL ADDRESS FOR CORRESPONDENCE : _____
