The Chief Editor apologizes for a bit late in the publication of the Indian Welding Journal, Volume 55, No.4, October 2022 issue. As usual, it is published in flip book format available in the website of IIW-India as well as the print version for its subscribers and in web version in i-Scholar and j-Gate platforms. Now, within this colourful festive Spring season, **Volume 56, No.1, January 2023** Issue of Indian Welding Journal is being published.

It is noteworthy that Chennai Branch of The Indian Institute of Welding has successfully organized the National Welding Seminar 2022 in physical mode on January 19-21, 2023. Detailed report of it will be published in the next issue of this journal.

Different events including seminars, webinars, competitions, etc. are being arranged by Branches, Sections and Chapters of The Indian Institute of Welding and details of them are reported. Section of the AWS as obtained from AWS (American Welding Society) is also included as this journal is published in the technical association with AWS.

**Samir Kumar Gupta** has contributed the "Tit Bit in Welding" article to this journal with the title, "An Approach to Best Welding Practice: Part – XXI. Section – III-BV-B(ii)". This article focuses on the "Generation and Computer based Storage of Welding Data on Plasma Arc Cutting and Welding Processes for Fabrication."

**Sudip Santra** and **Santanu Das** have contributed their article on "Exploring Resistance Spot Welding of Similar Triple Thin Sheets". They are from the Department of Mechanical Engineering, Kalyani Government Engineering College, Kalyani, India.

The second contributory article of this issue is on, "Occupational Hazards and Safety Challenges in Welding Activity", the author being **Vyom Saxena** of Industrial Hygiene and Safety Section, Health, Safety & Environment Group, Bhabha Atomic Research Centre, Trombay, Mumbai, India.

Prospective authors are invited to submit research articles, case studies, etc. for the Contributory article section, or for the column, "Tit Bit in Welding", following Author Guideline available in [www.iiwindia.com](http://www.iiwindia.com). All the articles are to send to the Chief Editor through email (ID: [iwj@iiwindia.com](mailto:iwj@iiwindia.com) and [iwj.iw@gmail.com](mailto:iwj.iw@gmail.com)) both in MS-Word and pdf file format mentioning the ORCID number of each author.

Everybody is requested to please surf the archive of IWJ through the website, <http://www.ischolar.info/index.php/IWJ>. Abstracting of published articles is done by EBSCO-USA, Crossref-USA, Indian Citation Index (ICI), i-Scholar and j-Gate.

Suggestions from the readers are requested for further improvement of the journal. Please stay safe.
