

**WORDS OF WISDOM**

## **Sovereigns Rule of the Law of Love**

It was not in my nature to placate anyone by adulation, or at the cost of self-respect. But South African experience had convinced me that it would be on the question of Hindu-Muslim unity that my Ahimsa would be put on its severst test, and that the question presented the widest field for my experiments of Ahimsa.

I believe in the Sovereigns rule of the Law of love which makes no distinction.
