

WORDS OF WISDOM

SONG OF YOUTH

*As a young citizen of India,
Armed with technology, knowledge and love for my nation
I realize, small aim is a crime.*

*I will work and sweat for a great vision
The vision of transforming India into a developed nation
Powered by economic strength and a value system*

*I am one of the citizens of the billion;
Only the vision will ignite the billion souls*

*It has entered into me;
The ignited soul compared to any resource is the
Most powerful resource on the earth
Above the earth and under the earth.*

Dr. A.P.J. Abdul Kalam
Former President of India

From "A Manifesto for Change"
